

Frenchtown Pumpkin decorating contest

Contest is open to all who wish to participate !!

Rules :

1) Buy your own pumpkin and decorate it.

2) DO not cut or pierce the pumpkin skin . (no carved pumpkins)

That's it

We want to keep the rules simple, so all mental energy can be used for creating extraordinary designs. You may add embellishments, You may Paint the pumpkin , you may dress the pumpkin. **Anything goes !!!** but do not cut or pierce the skin.

This will be a great opportunity to get together with family members or friends to research the process of decorating and coming up with some very non-traditional ideas. Remember to think outside of the skin. There are a number of websites which you can consult for ideas.
